STORSTAC DOES IT ALL

**Who is Storstac?**

Storstac, Inc. is committed to providing high-quality products and service with over 125 years combined experience in the industry. Focusing on ISO SHIPPING CONTAINERS, DOMESTIC TRANSPORT TRAILERS & LIFTGATES, we offer a full range of products and services including SALES, RENTAL, STORAGE, REPAIR and FABRICATION with a leading-edge CUSTOM MODIFICATION facility. We take pride in our customer service, quality products and our creative and innovative modifications to see your special project through to completion. Whether you are under a tight deadline, require precision manufacturing or looking for a company that can understand your ideas and concerns, your best choice is Storstac.

**Quality**

We take pride in saying "We provide the best quality and service in the industry."

**Satisfaction**

Your experience at Storstac will be hassle free because we promote complete customer satisfaction.

**Innovation**

Our knowledge of specialty modifications and customization for containers and trailers surpasses all other competitors.

**Value**

We have the best quality units for one of the lowest rental prices in the GTA.

**Service**

Our NEW trailer division is rapidly gaining an impressive reputation for service and lift gate installations.

**Storstac Green Initiative**

In addition to being responsive, capable and creative, Storstac is also "green". By working with steel ISO shipping containers, we are in step with society's ever-increasing concern for the environment and the need to **REDUCE, REUSE & RECYCLE**.

### Container Sales

We have an outstanding selection of NEW and USED containers in all sizes and we can deliver the best quality units to any location in Canada.

In addition to the standard equipment, we provide a wide selection of specialty units for your specific project.

### Container Rentals

Our high quality rental containers come in a variety of sizes and are the ideal solution to your storage needs. We'll deliver and you load and store the unit at your location, or we'll pick it up and store it at our secure facility. Ask about our clean and secure mobile office units as well!

Portable Communication System

### Container Modifications

Our team has been responsible for ground breaking container modifications that have set new industry standards. The modification of an ISO shipping container for your office, industrial enclosure or your dream project, provides an economical and environmentally friendly alternative. Among the many advantages, these units can be built in half the time of a newly constructed conventional building.

### Imagine... You Dream it. We Build it.

- Offices
- Mini-Storage Units
- Generator & Pump Enclosures
