Storstac welcomes Nirint as their newest depot customer.

Storstac is pleased to welcome Nirint Shipping to our depot. Nirint has operated since 1992 and is a multi purpose shipping line focusing on Carribbean-European shipping. Nirint offers all other logistic services varying from inland transport (truck/railway/barge) , airfreight and international forwarding to dry/climatised storage and warehousing.

Nirint is a welcome addition to our Depot clientele and we look forward to providing them with our quality service.

Storstac provides full Depot services to Leasing Companies and Steamship lines for all types of domestic and international shipping containers. We offer repair, storage, inspection and estimating services and full EDI Inventory management control. Our team of trained Depot personnel are committed to providing excellent customer service, quality workmanship and quick turnaround times.

With over 6.5 acres plus an adjacent 6 acres on demand, Storstac has the available capacity to accommodate your container depot requirements.
