Storstac welcomes Seacastle Container Leasing LLC as their newest depot customer.

Storstac is pleased to welcome Seacastle Container Leasing as our newest depot client. Seacastle owns and manages both Dry and Refrigerated shipping containers including generator sets. Their companies employ 75 people in 7 offices world-wide to provide high quality equipment all over the world.

Seacastle is a welcome addition to our Depot clientele and we look forward to providing them with our quality service.

Storstac provides full Depot services to Leasing Companies and Steamship lines for all types of domestic and international shipping containers. We offer repair, storage, inspection and estimating services and full EDI Inventory management control. Our team of trained Depot personnel are committed to providing excellent customer service, quality workmanship and quick turnaround times.

With over 6.5 acres plus an adjacent 6 acres on demand, Storstac has the available capacity to accommodate your container depot requirements.
